WARRANTY

Model 1100/1105 CNC Dovetailer

Mereen-Johnson LLC warrants to the original purchaser that our products are free from defects of workmanship or material. Mereen-Johnson also warrants that our products will do the work for which they were designed, in the manner and with the efficiency and productiveness stated in the builder's catalogs, circulars, specifications or quotations, **if properly used and maintained.**

Mereen-Johnson will replace or repair, at its option, any part or parts manufactured by Mereen-Johnson that are found to be defective upon Mereen-Johnson's examination. This warranty is valid for twelve (12) months from date of shipment from Mereen-Johnson and only if the machine is still in the possession of the original purchaser. This shall be the only obligation of Mereen-Johnson and there is no other warranty, expressed or implied. **This warranty is valid only if the equipment is paid for in full or according to the contract terms.**

High speed spindles are warranted free from defects of workmanship or material for one year. Disposition of the warranty regarding high speed spindles is subject to inspection of the high speed spindle at Mereen-Johnson factory by customer service and their determination is final. A return authorization form is required to accompany the returned component. Defects in electrical components, ball or roller bearings, or other purchased equipment, will be adjusted by us in accordance with the standard guarantee of the parts manufacturer, thereof.

If during the warranty period, the Mereen-Johnson Service Technician determines that need for the installation of replacement parts is due to misuse or neglect on the part of the purchaser, the out of pocket expenses incurred and the price of the replacement parts will be billed by Mereen-Johnson's Customer Service Department.
